Dan Andersson raises LEOcoin and cryptocurrencies with British Government minister 21st October 2014

At an anniversary event on Tuesday 21st October to celebrate the 30th anniversary of **JBP**, an award winning communications consultancy, LEOcoin creator, Dan Andersson met Stephen Williams MP, UK Minister for Local Government and discussed the potential for cryptocurrencies such as LEOcoin to radically transform global financial systems.

Speaking at the event, LEOcoin creator, Dan Andersson said, "LEOcoin is a British innovation and has the potential to fundamentally change the way the world thinks about currencies. I had an excellent discussion with the British Minister and believe that governments across the world would benefit from embracing cryptocurrencies like LEOcoin."

Also present was Mihir Magudia, Director, JBP who has recently been engaged to advise on LEO.
